

2011 World Series

Team Check-In Schedule

- Team Pictures and Tours need to be done AFTER your team has checked in. For those taking the tour, please leave enough time to enjoy all of the festivities being offered.
- Players need to be in uniform.
- Coaches, please have your rosters, insurance and birth certificates in some sort of ORDER. This is the slowest part of the process.
- For those that have not purchased Ranger Tickets and Tour, we will have those offered.
- Souvenirs are in limited supply and because of the holiday, we will not have time to restock.

- We will be conducting team check-in with another USSSA World Series, therefore, things may be very hectic.
